

HITBABY1 is a young and dynamic company.

The human team that works for our company is conformed by **health professionals**, highly qualified and with lots of experience in the **medical, pharmaceutical and chemical industries**

HITBABY1 offers you ***innovative and safe products*** for the care and protection of babies, that have passed the most demanding quality controls in accordance to the EU safety rules, in order to respond to needs of mothers, thanks to our good

knowledge of the health industry

and our

scientific rigor

. For that reason, our products are only

available in pharmacies.
